

Dissertations - Work, Organization, Stress and Health at the Department of Psychology, Stockholm university

Year: 1956

Author: Kjell Härnqvist

Title: Adjustment, leadership and group relations in a military training situation

Supervisor: Gösta Ekman

Year: 1957

Author: Carl W. Ramfalk

Title: Top management selection. A study of the selection of personnel for higher positions in industrial organizations

Supervisor: Gösta Ekman

Year: 1970

Author: Paula Pátkai

Title: Relations between catecholamine release and psychological functions

Supervisor: Marianne Frankenhaeuser

Year: 1972

Author: Ulf Lundberg

Title: Psychological distance and emotional involvement

Supervisors: Gösta Ekman and Marianne Frankenhaeuser

Year: 1973

Author: Gunn Johansson

Title: Activation, adjustment and sympathetic-adrenal medullary activity. Field and laboratory studies of adults and children

Supervisor: Marianne Frankenhaeuser

Year: 1973

Author: Bertil Mårdberg

Title: A model for selection and classification in industrial psychology

Supervisor: David Magnusson

Year: 1973

Author: Pirkko Niemelä

Title: Coping processes in the anticipation of stress

Supervisor: Marianne Frankenhaeuser

Year: 1976

Author: Francesco Gamberale

Title: Behavioral effects of exposure to solvent vapors. Experimental and field studies

Supervisors: Irma Åstrand and Gunnar Borg

Year: 1976

Author: Gunnela Westlander

Title: Work and life situation. Some approaches to finding empirical evidence of the psychological value of gainful employment

Supervisor: Carl-Otto Jonsson

Year: 1977

Author: Ingemar Torbiörn

Title: Living abroad: Personal adjustment and personnel policy in the overseas setting

Supervisor: Bertil Gardell

Year: 1978

Author: Jan Forslin

Title: Work adjustment: an evaluation of a psychological model with the background of two empirical studies

Supervisor: Göte Hanson

Year: 1979

Author: Jan E. Fröberg

Title: Psychobiological 24-hour patterns. Theory, methods, and summary of empirical studies

Supervisor: Marianne Frankenhaeuser

Year: 1979

Author: Torbjörn Åkerstedt

Title: Altered sleep/wake patterns and circadian rhythms. Laboratory and field studies of sympathoadrenomedullary and related variables

Supervisors: Marianne Frankenhaeuser and Paula Pátkai

Year: 1981

Author: Kerstin Dahlgren

Title: Shiftwork-circadian rhythms and sleep. Field Studies of different shift systems

Supervisor: Paula Pátkai

Year: 1981

Author: Hans Sjöberg

Title: Physical work, arousal and mental performance

Supervisor: Marianne Frankenhaeuser

Year: 1983

Author: Siv Boalt Boëthius

Title: Autonomy, coping and defense in small work groups: An analysis of psychological processes within and between individual group members

Supervisor: Carl-Otto Jonsson

Year: 1983

Author: Lennart Forsman

Title: Individual and group differences in psychophysiological responses to stress - with an emphasis on sympathetic-adrenal medullary and pituitary-adrenal cortical responses

Supervisors: Marianne Frankenhaeuser and Ulf Lundberg

Year: 1985
Author: Gunnar Aronsson
Title: Work content - Autonomy – Stress Reactions. Theories and field studies.
Supervisors: Bertil Gardell and Gunn Johansson

Year: 1985
Author: Aila Collins
Title: Sex differences in psychoneuroendocrine stress responses. Biological and social influences
Supervisors: Marianne Frankenhaeuser

Year: 1986
Author: Anders Iregren
Title: Effects of industrial solvent interactions. Studies of behavioral effects in man
Supervisor: Francesco Gamberale

Year: 1988
Author: Roger Ellmin
Title: The satisfactions and strains of the teaching profession. An empirical method study for classification of critical situations in the practice of the teaching profession
Supervisor: David Magnusson

Year: 1988
Author: Anders Risling
Title: Theory for organizational consultation
Supervisors: Bertil Gardell and Björn Gustavsson

Year: 1989
Author: Annika Lantz och Birgit Pingel
Title: Analysing the unified whole of an organization: Perspectives on community child care
Supervisor: Gunnela Westlander

Year: 1989
Author: Erik Söderman
Title: Selling and buying word processors. Effects of computerized word processing on office working conditions
Supervisors: Gunnela Westlander, Francesco Gamberale and Anders Kjellberg

Year: 1990
Author: Ruggero Ceci
Title: Perception of exertion in various modes of exercise: Implications for monitoring and regulation of physical work intensity
Supervisor: Gunnar Borg

Year: 1990
Author: Kerstin Isaksson
Title: Life without work. Unemployment and mental health among young male clients on social security
Supervisor: Carl-Otto Jonsson

Year: 1990

Author: Per-Olof Sandén

Title: Work in the control room. Studies of sociotechnical systems, job satisfaction mental load and stress reactions

Supervisor: Gunn Johansson

Year: 1992

Author: Bo Melin

Title: Stress, health-related behaviors and biological risk factors: Psychobiological studies of healthy men and women

Supervisor: Ulf Lundberg

Year: 1992

Author: Ingrid Stymne

Title: The structure of work. Analyzing interaction in small task groups

Supervisor: Carl-Otto Jonsson

Year: 1993

Author: Svante Hovmark

Title: Changes in product development processes: Organization, methods and working conditions in engineering design

Supervisor: Gunnar Aronsson

Year: 1994

Author: Pär Pettersson

Title: Stress of change as related to technical and organizational alterations. A study among supervisors in the engineering industry

Supervisor: Gunnar Aronsson

Year: 1995

Author: Magnus Sverke

Title: Rational union commitment. The psychological dimension in membership participation

Supervisors: Ingemar Torbiörn, Bengt Abrahamsson and Håkan Stattin

Year: 1996

Author: Göran Kecklund

Title: Sleep and alertness: Effects of shift work, early rising, and the sleep environment

Supervisor: Torbjörn Åkerstedt

Year: 1996

Author: Ann Lantz

Title: Computer mediated communication in a work context: An interdisciplinary approach

Supervisor: Yvonne Waern

Year: 1996

Author: Leif Rydstedt

Title: The human side of the road: Studies on occupational stress reactions to the urban traffic environment

Supervisor: Gunn Johansson and Gary W. Evans

Year: 1996

Author: Heléne Thomsson

Title: Women's opportunities for well-being. Studies of women's work, leisure and health-related behaviour patterns

Supervisor: Gunn Johansson

Year: 1997

Author: Michael Allvin

Title: The individualisation of labour: The different practices of modernity

Supervisor: Lars Ekdahl and Gunn Johansson

Year: 1997

Author: Anders Sjöberg

Title: Studies of work commitment. Theoretical and methodological considerations

Supervisor: Lars Nystedt

Year: 1997

Author: Anders Wendelheim

Title: Effectiveness and process in experiential group learning. Comparing a process-directive encounter group (PEG) and a self-directive study group (SSG) approach

Supervisors: Anne-Sofie Rosén and Bo Ekehammar

Year: 1998

Author: Lennart Hallsten

Title: Mental health and unemployment. On mental health selection to the labour market

Supervisor: Anders Kjellberg

Year: 1998

Author: Lena Kecklund

Title: Studies on safety and critical work. Situations in nuclear power plants: A human factors perspective

Supervisor: Ola Svensson

Year: 1998

Author: Elizabeth Åhsberg

Title: Perceived fatigue related to work

Supervisor: Francesco Gamberale

Year: 1999

Author: Gunnel Ahlberg

Title: Psychological demands and decision latitude within health care work. Relation to health and significance

Supervisors: Töres Theorell, Gunn Johansson and Annika Härenstam

Year: 1999

Author: Ylva Elvin-Nowak

Title: Accompanied by guilt. Modern motherhood the Swedish way

Supervisors: Gunn Johansson and Agnes Andenäs

Year: 1999

Author: Giorgio Grossi

Title: The stress of unemployment - coping patterns, psychological and physiological responses and implications for health

Supervisor: Ulf Lundberg

Year: 1999

Author: Arne Lowden

Title: Jet lag and shiftwork - their effects on sleep and sleepiness

Supervisor: Torbjörn Åkerstedt

Year: 1999

Author: Rebecca Stenberg

Title: Organizational logic of cooperation. The art of organizing cooperation in an imaginary organization of public actors

Supervisors: Gunn Johansson and Bengt Gustavsson

Year: 2000

Author: Leonardo Liberman Yaconi

Title: Staff management practices within multinational companies

Supervisors: Gunn Johansson and Ingemar Torbiörn

Year: 2001

Author: Sven-Göran Servais

Title: The school psychologist as organisational developer – for selection or equality?

Supervisor: Gunn Johansson

Year: 2002

Author: Jouko Arvonen

Title: Change, production and employees - An integrated model of leadership

Supervisor: Ingemar Torbiörn

Year: 2002

Author: Petra Lindfors

Title: Psychophysiological aspects of stress, health and well-being in teleworking women and men

Supervisors: Ulf Lundberg, Gunn Johansson and Lars R. Bergman

Year: 2002

Author: Stefan Nordqvist

Title: Team-based organizations - working conditions and methods in project teams and self-managing groups

Supervisor: Svante Hovmark

Year: 2003

Author: Wanja Astvik

Title: Relating as a primary task. Prerequisites for sustainable caring relations in home-care service

Supervisor: Gunnar Aronsson

Year: 2003

Author: Johnny Hellgren

Title: The times they are a-changin'. Job uncertainty and the flexible labor market

Supervisor: Ingemar Torbiörn and Magnus Sverke

Year: 2003

Author: Birgitta Hellström

Title: On pain and workload in women. A psychobiological approach

Supervisors: Ulf Lundberg and Ulla Maria Anderberg

Year: 2003

Author: Rose-Marie Herlin

Title: Effects of the work environment on subjective health – a nine-year longitudinal investigation of workers in the electric power industry

Supervisor: Anders Kjellberg

Year: 2003

Author: Hans Robertsson

Title: Construction of masculinity, professional identity, gender segregation and gender equality

Supervisors: Gunn Johansson, Birgit Pingel and Inga-Britt Drejhammar

Year: 2004

Author: Christine Mellner

Title: Women's subjective and objective health over time: The role of psychosocial conditions and physiological stress responses

Supervisors: Ulf Lundberg, Gunilla Krantz and Lars R. Bergman

Year: 2004

Author: Katharina Näswall

Title: Job insecurity from a stress perspective: Antecedents, consequences and moderators

Supervisor: Magnus Sverke

Year: 2005

Author: John Axelsson

Title: Long shifts, short rests and vulnerability to shift work

Supervisors: Torbjörn Åkerstedt and Göran Kecklund

Year: 2005

Author: Ulrika Eriksson Hallberg

Title: A thesis on fire: Studies on work engagement, type A behavior and burnout

Supervisors: Gunn Johansson and Wilmar Schaufeli

Year: 2006

Author: Anna Dahlgren

Title: Work stress and overtime work - effects on cortisol, sleep, sleepiness and health

Supervisors: Torbjörn Åkerstedt and Göran Kecklund

Year: 2006

Author: Qinghai Huang

Title: The nature of women's career development: Determinants and consequences of career patterns

Supervisors: Gunn Johansson, Magnus Sverke and Lars. R. Bergman

Year: 2006

Author: Dag Rissén

Title: Repetitive and monotonous work among women: Psychophysiological and subjective stress reactions, muscle activity and neck and shoulder pain

Supervisors: Bo Melin and Ulf Lundberg

Year: 2007

Author: Hillevi Busch

Title: When pain remains: Appraisals and adaptation

Supervisors: Ulf Lundberg and Bo Melin

Year: 2007

Author: Camilla Kylin

Title: Coping with boundaries - A study on the interaction between work and non-work life in home-based telework

Supervisors: Gunn Johansson and Jan Ch Carlsson

Year: 2008

Author: Klas Gustafsson

Title: Working conditions, compensatory strategies, and recovery

Supervisors: Gunnar Aronsson and Bo Melin

Year: 2008

Author: Erik Berntson

Title: Employability perceptions: Nature, determinants, and implications for health and well-being

Supervisors: Magnus Sverke and Staffan Marklund

Year: 2008

Author: Stephan Baraldi

Title: Union Mergers in Times of Restructuring: A Psychological Approach

Supervisors: Magnus Sverke and Gary Chaison

Year: 2008

Author: Claudia Bernhard-Oettel

Title: Alternative employment and well-being: Contract heterogeneity and differences among individuals

Supervisors: Magnus Sverke, Kerstin Isaksson and Gunnar Aronsson

Year: 2008

Author: Ulrica von Thiele Schwarz

Title: Health and ill health in working women - balancing work and recovery

Supervisors: Ulf Lundberg and Petra Lindfors

Year: 2009

Author: Sara Göransson

Title: Seeking Individual Health and Organizational Sustainability: The implications of change and mobility

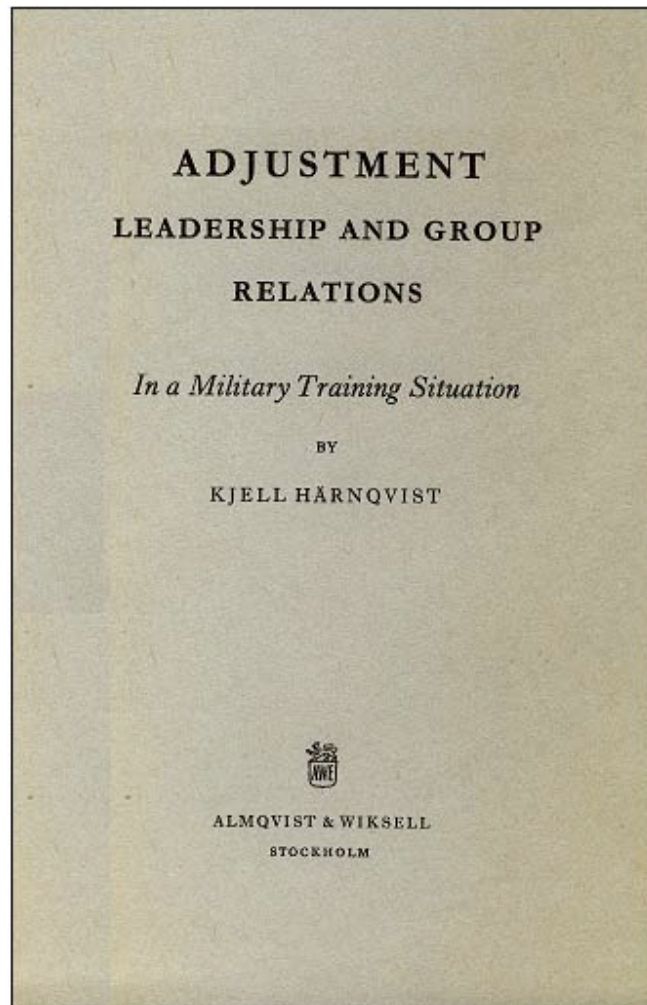

Supervisors: Magnus Sverke and Gunnar Aronsson

Year: 2010

Author: Helena Falkenberg

Title: How privatization and corporatization affect healthcare employees' work climate, work attitudes and ill-health: Implications of social status

Supervisors: Magnus Sverke and Katharina Näswall
